Within these halls, young voices grow,
With dreams to chase and seeds to sow;
Each morning brings a brand-new start,
With hope held closely in every heart.

Teachers guide with patient hands,
Helping us learn, helping us stand;
Through every lesson, every test,
They bring out in us our very best.

Some dream to lead, some dream to serve,
Some take the paths they've long observed;
Though every dream may differ in name,
This school gives each one room to aim.

And when the years have passed us by,
We'll carry these lessons as days go by;
For wherever our future leads us to,
This school will be part of what we do.
